MEMORANDUM FOR: Chief, Pinance Division

THROUGH

: Chief, Psychiatric Staff

SUBJECT

: Accounting for Operational Advances to Raymond S. CHURGIE (P) under Project ARHAWKEYE

- 1. Subject was sent PCS to Frankfurt Operations Base on 20 October 1958. He was subsequently sent home by the field due to peculiar behavior, arriving in the United States on 10 August 1959.
- 2. Upon arrival at Headquarters, Subject was examined by the Psychiatric Staff and it was their determination that CHURGIN was suffering from an acute paramoid-schizophrenic reaction while overseas.
- 3. While overseas, Subject received advances of operational funds amounting to \$923.01. When asked for an accounting for these funds, CRURGIN explained that he bought drinks for various and sundry people in different bars and restaurants and paid musicians in these restaurants to play songs. Subject stated he considered it necessary to keep up his morals and that of the German people. CRURGIN was not able to rationally account for the above funds and the Psychiatric Staff has informed us that he was not responsible at the time he spent these funds. He was advanced \$314.00 traveling expenses for PCS travel to Readquarters. He has accounted for \$415.05 for travel. This will reduce the operational advance from \$923.01 to \$621.96. We consider this to be the best accounting that Subject will be able to render.
